## GREAT OLD REMEDY FOR SKIN DISEASES

### S. S. S. Drives Poison From the System.

Get it fixed in your mind that skin eruptions, scurf, eczema, burning itching skin, and all skin diseases are due entirely to impure blood. If the blood is pure, the skin is healthy. By simply washing and keeping it clean you could obtain relief—not even ointments and ointments would be necessary. Agree with us in this line of health. S. S. S. is a purely vegetable treatment that you can secure from your own druggist—it is a blood tonic that will purify your blood and cause a decided abatement of your trouble, and finally make you well. Fifty years ago S. S. S. was discovered and given to suffering mankind. During this period it has proven its remarkable curative properties as a blood purifier and tonic. It has relieved thousands of cases of disease caused by impure blood, and chronic or inherited blood diseases. You can be relieved, but you must take S. S. S. Therefore be sure. Don't take chances, don't use lotions. Get S. S. S. from your druggist. If yours is a special case, write for expert medical advice to Swift Specific Co., Atlanta, Ga.

### HYGIENE AND FACTS ABOUT HEALTH CONDITIONS IN CITIES

Kansas City, Mo., Jan. 31.—An opportunity to learn hygiene and facts about health conditions in cities was offered to the people of Kansas City today when the Municipal School of Hygiene was opened for the first time under the direction of Dr. Paul Paquin, director of public health, and the city board of health. This is the first school of its kind in the west it is said.

More than seventy-five students—including 16-year-old high school students, physicians of many years' practice, nurses, inspectors of dairies, food and drugs, groceries and restaurants, and many people from Kansas

City, Kan., and Independence, Mo., attended the session this afternoon. It is planned to hold classes every Saturday afternoon and the term of study was announced to be indefinite. The plan of study, as outlined by Doctor Paquin, included such subjects as hygiene, food contamination, adulterations, and protections, and a study of the city ordinances which deal with subjects of a hygienic nature.

J. A. Borron, head of the city sanitary inspection department, and W. H. Phipps, chief inspector of the city food department, were the lecturers this afternoon. Doctor Paquin and other officials of the city health department, as well as members of the board of public welfare, will give lectures in the future, it was stated.

### IF WOMEN ONLY KNEW

What a Heap of Happiness It Would Bring to Ardmore Homes.

Hard to do housework with an aching back.

Brings you hours of misery at leisure or at work.

If women only knew the cause—that

Backache pains often come from weak kidneys.

'Twould save much needless woe.

Doan's Kidney Pills are for weak kidneys.

Many residents of this vicinity endorse them.

Mrs. M. A. Hawkins, Madill, Okla., says:

"I suffered off and on for more than a year from a steady, dull, aching in the small of my back. At times, this pain kept up all night and I arose in the morning stiff and lame. I tired easily, felt languid and was often very nervous. I also had spells of dizziness accompanied by headaches. I used one box of Doan's Kidney Pills and the backache, languor and other ailments disappeared."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hawkins had. Foster-Milburn Co., Props., Buffalo, N. Y.

### HEALDTON

Healdton, Okla., Jan. 29.—Cloudy, cold and wet. The month is leaving us with some sleet and snow still on the ground.

Roads are in the very worst shape and almost impassable. Very little passing of any kind. Still the ground is getting in fine shape for spring work.

Wirt has opened its post office again, and the crowds that were here are now gone. Our postmaster had his hands full and was untiring in his efforts to accommodate the Wirt patrons.

All tank work has had to stop.

Mr. McKnight has moved his drugs back to Wirt. We hear that many of the houses have been rebuilt.

It crowds Mr. Orme these days to keep his stock of groceries up, owing to the condition of roads. He has a very large oil field trade.

All mails are late.

Cold norther on hand today with little prospect of clearing up.

Lagrippe is still holding its own in this section.

### FOR CHILDREN'S COUGH

You cannot use anything better for your child's cough and cold than Dr. King's New Discovery. It is prepared from Pine Tar mixed with healing and soothing balsams. It does not contain anything harmful and is slightly laxative, just enough to expel the poisons from the system. Dr. King's New Discovery is antiseptic—kills the cold germs—raises the phlegm—loosens the cough and soothes the irritation. Don't put off treatment. Coughs and Colds often lead to serious lung troubles. It is also good for adults and the aged. Get a bottle today. All druggists.

### Friends Outlast Money.

"Losing one's money," said a man of fallen fortunes, "is not without its compensating comforts; for instance in the discovery of one's real friends. When I was rich I never knew for sure whether a man, being rich, was drawn to me because I was rich also or whether, being poor, he was drawn to me because he thought I could help him; but it was easy to tell after I had lost my money." There is this to be said about the man and his money. When a man has made money he hates to give it up. But I have known rich men who proved themselves stalwart staying friends indeed; who gave though the chances of the money ever coming back to them—if they thought of that at all—must have seemed very slim. I have had men to whom I owed big debts say to me—and this through sheer kindness and friendliness to me—to take away from me a burden: "Forget it old man; don't worry yourself over that. We'll just simply cross that off the books and call it square." So my misfortune has revealed to me friends whose real friendliness I might otherwise not have known; and the world seems kinder to me than it did before."

### Bad Cold Quickly Broken Up.

Mrs. Martha Wilcox, Gowanda, N. Y., writes: "I first used Chamberlain's Cough Remedy about eight years ago. At that time I had a hard cold and coughed most of the time. It proved to be just what I needed. It broke up the cold in a few days, and the cough entirely disappeared. I have told many of my friends of the good I received through using this medicine, and all who have used it speak of it in the highest terms."

### DELINQUENT TAX BILL

Measure to Simplify the Taxpaying Problem.

Oklahoma City, Okla., Jan. 29.—A bill that has been prepared by Senator O. W. Killam of Mayes county, which has been submitted to Governor Williams for his consideration will be introduced by the Mayes county senator if the governor shall see fit to recommend it to the legislature. It provides for payment of delinquent taxes in a manner that will probably make the taxpaying problem easy. This bill will do away with the present 18 per cent interest and also the doubt that hovers about it in the matter of delinquent taxes.

Provisions are made for delinquent taxes being a lien on the property as now; the county treasurer is authorized to issue a certificate to any person paying the delinquent taxes on any land under the terms of the bill, such certificate to be transferable and to bear interest at the rate of 8 per cent, to be compounded annually. At end of three years the holder of certificates three years or any one of them, if they be held by more than one person, shall have power to foreclose the lien in court and receive a title to the land. The lien may be discharged by any persons paying the face of the certificates and accrued interest prior to action to foreclose the same.

Catarrhal Deafness Cannot Be Cured By local applications as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Cure acts through the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Cure. Circulars free. All Druggists, 75c.

### St. Nicholas the Scholar's Saint.

A correspondent of a British church paper, referring to a statement doubting whether there ever was a schoolboy's patron saint says that St. Nicholas, our old friend Santa Claus "was generally recognized as being in a special sense the patron and protector of schoolboys or young scholars at Eton and elsewhere. He was once even invoked by name in schoolboy games with the cry of "Nicklas!" when a player had pressed appealed for a temporary truce or immunity." "There is little doubt," says the writer, "that the 'N. of M. standing as typical Christian names in the Church of England catechism are initials of the children's patron saints, Nicholas and Mary."

# But That Is Not What I Asked For

was a woman's polite reply to a dealer who tried to convince her that the article he was about to wrap up was "Just the Same" as the one she asked for.

This woman was an intelligent buyer and she knew what she wanted and insisted on having exactly what she asked for and not a "Just as Good." The dealer had wasted considerable of her time and had offended her by his deliberate attempt to trick her. Naturally she never returned to that store, and the dealer lost her patronage.

If you had been in this woman's place, what would you have done? How many times have you entered a store with the intention of buying a certain brand of article, but were persuaded to "try" something else "Just as Good?"

It is just as important to have the ability to BUY intelligently as to have the ability to EARN money to spend. Eliminate the waste in buying by accepting only articles of well-known merit, and thus reduce the high cost of living.

Patronize the dealers who give good service and carry in stock the articles you see advertised. Ask for trade-marked brands and bear in mind this slogan—
